RE: Petition for Action On  
Ronnie Shubin  
3:13-00071  
May 8, 2014

On May 1, 2014, the defendant was released by Your Honor on his Personal Recognizance and pretrial services supervision with conditions. He has since been supervised by the United States Probation and Pretrial Services Office in the Middle District of Tennessee.

**Special Conditions of Pretrial Release:**

Please reference the attached Order Setting Conditions of Release.

**Violation(s):**

The probation officer believes that the defendant has violated the following condition of release:

**Special Condition (5): Defendant shall refrain from the use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner.** On May 2, 2014, the defendant submitted a urine screen which tested positive for marijuana, methamphetamine, opiates, and oxycodone.

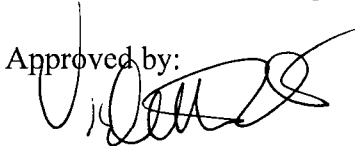

**Probation Officer's Actions:**

On the date of the urinalysis testing, the defendant admitted to using the substances prior to his arrest. As a result of the positive screen, the defendant was placed in the Code-A-Phone drug testing program within the U.S. Probation Office. Additionally, the defendant was referred to Centerstone-Madison for a substance abuse assessment.

**Respectfully Petitioning the Court as Follows:**

This was the defendant's first urine screen since his release on bond. It is respectfully recommended that no action be taken by the Court at this time. Should the defendant continue to use illegal drugs, Pretrial Services will request a hearing before the Court, where the defendant can answer why his bond should not be revoked. Assistant U.S. Attorney William Abely has been notified of the alleged violation and concurs with the recommendation.

Vidette Putman  
Supervisory U.S. Probation Officer
